

# CASALE MATTIA

*Frascati*

The winery is located on the volcanic hills in the middle of the Frascati production area. Since the Roman age, this land has always welcomed the cultivation of grapes, and the large number of ruins located in this farm are proof of this glorious past. Casale Mattia vinifies only the grapes coming from its 12 hectares of vineyards, in a new factory that makes use of the most modern techniques of wine-making. The project on this farm is to rediscover the original tastes of the wines of this region.

## **Frascati~doc**

**Grapes:** Special Lazio Blend

**Alcohol:** 12%

**Vinification:** It is considered one of the most ancient Italian white wines. The purpose of Casale Mattia is to express all its tradition and authenticity. For this reason the **grapes used** for the vinification of this product are not only **Malvasia Bianca, Malvasia di Candia and Trebbiano Giallo** but also **Bombino and Bello**, two ancient grapes, typical of Frascati. Vinification consists of soft pressing of the skins, immediate separation of the stalks, cold maceration and temperature controlled fermentation. "Ripasso

**Tasting Note:** Straw yellow in color, with pale green reflections. On the nose Frascati is fresh fruity, flowery with notes of golden apple and broom. Dry and fresh with a lightly bitter aftertaste; sapid, solid and well-balanced.

## **Merlot Igt**

**Grapes:** 100% Merlot

**Alcohol:** 13%

**Vinification:** Produced in the hills of Castelli Romani on volcanic soil the Merlot grapes are carefully selected and vinified with maceration on the skin. Thanks to the quality of the grapes and to a short aging in barriques this wine has a high structure, a slightly spicy intense bouquet and a full-bodied fragrance.

**Tasting Note:** Its color is ruby red with purplish shades, and its flavor is dry, warm, vigorous and velvet with a slight aftertaste of raspberry and blackberry. It matches well with soup, red meat, matured cheese and game.
